Mark your calendars for Saturday, **July 10<sup>th</sup>** for **Wabash Riverfest**, once again to be held at West Lafayette's Tapawingo Park. Plan to come and cheer for our Tippecanoe County Employee Team of Paddlers in the **Dragon Boat Races**. Or better yet, **we still have seats** in the boat for a few more paddlers. It's a short-term commitment and a lot of fun. Call Linda at 215 to learn more. ☺

## County Office Building Elevator Repair--

TCOB employees and visitors should plan on using the stairs from **June 14**

**thru June 18**. The procedure will require the elevators to be secured at their highest level, and then the cylinders will be cut in sections with a cutting torch and removed. The cylinders are approximately forty feet long and must be cut in sections in order to remove them from the building. Although every effort will be made to isolate the smell from a cutting torch, there may be some odors detected within the building. While the passenger elevator is being repaired, the freight elevator will be available for limited use.

Employees who feel they will be unable to climb stairs during this week should discuss this with their supervisor or department head. The passenger elevator will be the first to have the cylinder replaced. After the passenger elevator has been completed, the freight elevator will then begin its upgrade. Your cooperation and patience are appreciated.

*Lead by example.*

Be the life of your party.
